This is a petition for police protection to carry out the construction work. Govt.Pleader submitted that respondents were called and they will not cause any obstructions. In the above circumstances, police protection sought for constructing the compound wall by employing his own workmen is granted, provided, there is no civil dispute. This judgment is without prejudice to the rights, if any, of the workers in raising labour disputes. However, police is directed to give protection as and when required. With the above observations this writ petition is disposed of.
